## **EXTRA ADVICE FOR IELTS LISTENING:**

- Review the questions you got wrong and think about why you made those mistakes. For example, was it timing, strategy, vocabulary, grammar, listening skills, spelling?
- Make a list of your weakest skills. Focus on improving those areas first.
- You must have a wide range of accurate vocabulary if you need to score a Band 8 or 9. So if you *really* struggled to get the score you need, you should improve your vocabulary skills before your IELTS test.
